MADRAS RECORD OFFICE.

Government of Madras.

Public works DEPARTMENT.

G.O. No. 1462 209-210	Press Mis.
Dated 13-6-1872	

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
13th June 1872.*

No. 209. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Acting Secretary to Government, Public Works Department, dated Dowlaishweram, 20th May 1872, No. 679 :—

I HAVE the honour to bring to the notice of Government that since last reporting on the building in which my office is held, I observe that several cracks over the doors and windows have made their appearance, and that the walls have bulged out a good deal; the wood-work, which is of a very inferior quality, is fast rotting, and I have been obliged to set aside every year money for the repair of the same.

• *Vide* letter embodied in G. O. No. 2,527, dated 24th October 1870.

2. Under the above circumstances I do not consider it advisable to expend the Rupees 3,000 allotted in the current year for the improvements of this building, but would suggest that it be pulled down entirely and rebuilt, as the foundations even are said to be very bad.

No. 210. ORDER THEREON, 13th June 1872, No. 1,462.

CIVIL WORKS, No. 19.

As requested in this letter the sanction accorded in G. O. No. 62 of 10th January 1871 is cancelled, and

the allotment of Rupees 3,000 for alterations and additions to the Superintending Engineer's office at Dowlaishweram is transferred to the Reserve under Civil Buildings.

2. In any further proposals Lieutenant-Colonel Fischer may have to make regarding office-accommodation, he will be so good as to bear in mind that, as the District Engineer Organization will be introduced in the current year, his plans and estimates must be drawn up with reference to the accommodation required for a District Engineer's office only, and they should be accompanied with surveys showing exactly the relative positions of all the Public Works offices at the headquarters of the district.

- MADRAS

SIR,

I have the honor to bring to the notice of your Government that since last reporting on the Building in which my Office is held, I observed that several cracks over the doors, and Windows have made their appearance, and that the walls have bulged out a good deal; the wood work, which is of a very inferior quality, is fast rotting, and I have been obliged to set aside every year, some money for the repair of the same -

2. Under the above circumstances, I do not con-
sider it advisable to expend the 3,000 Rupees
allotted in the current year for the improvements of
this Building, but would suggest that it be pulled
down entirely, and rebuilt, as the foundations even
are said to be very bad.
