From the Agent and Manager of the Madras Irrigation and Canal Company, to the Acting Chief Engineer for Irrigation, dated Madras, 10th May 1872, No. 127.

By desire of the Board I have the honour to request that the Government will be pleased to sanction an alteration in the pay of Mr. Crawford, Assistant Conservancy Engineer, in the Upper Section, from Rupees 450 to Rupees 600, to take effect from the 1st February last.

2. This gentleman was about to quit the Company's service in January, but was induced to remain by a promise (which appears to have been made to him by the Secretary through Mr. Browning) of the increase above specified.

3. From the Board I received no instructions on the subject until last week, when a telegram reached me directing me to solicit this sanction.

SUBMITTED to Government.

2. The increase is recommended on the condition that the total amount sanctioned for Conservancy Establishments, namely, Rupees 6,066, is not exceeded.
