Proceedings of the Madras Government, Public Works Department, 27th June 1872.

No. 395. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Acting Secretary to Government, Public Works Department, dated Dowlaishweram, 3rd June 1872, No. 864:—

WITH reference to the orders of Government marginally noted, I have the honour to forward herewith copy of letter from the Assistant Engineer in charge of No. 6 Range, Godavery District, and of the memorandum from the Controller of Public Works Accounts therein alluded to, relative to the reduction, by one hand, of that Range Establishment.

1 Copy of letter, No. 86, dated 29th May 1872, with its enclosure.
G. O., No. 115, dated 12th April 1872.
G. O., No. 1,280, dated 14th May 1872.

2. I quite concur with Mr. Hannan's statement, that it will be utterly impossible for his Head Accountant and one Writer to get through the work, which three men with the greatest difficulty had hitherto carried out.

3. Under these circumstances, and as by the retention of the services of the extra writer there will be but a small monthly increase of 10 Rupees, I beg the Government will sanction Mr. Hannan's proposal.

No. 396. ORDER THEREON, 27th June 1872, No. 1,555.

ESTABLISHMENT, No. 28.

THE Government are not prepared to entertain any proposal involving a permanent increase over the sanctioned cost of establishments at a time when the organization of the department is shortly to undergo a change. Pending such re-organization the old arrangement of ranges had better be reverted to.

Sir

I beg to forward a copy of
Contractor's Memo No 477 dated 22d Instant,
from which you will observe that my Office
Establishment has been reduced by one hand
and to state that it will be utterly impossible
for the Head Accountant and one Writer to
do the Work. The Expenditure in this Range
has, as you are aware, largely increased of
late years as also the number of Accounts
to be kept, and it was for this reason that
it was proposed to raise the pay of the Head
Accountant. I therefore request that you
will obtain the sanction of Government to
keep up the existing Establishment of one Accountant
and two Writers—
