*Proceedings of the Madras Government, Public Works Department,
4th July 1872.*

No. 96. Read the following letter from the Officiating Deputy Secretary to the Government of India, Public Works Department (Account—Irrigation), to the Secretary to the Government of Madras, Public Works Department (Irrigation Branch), dated Simla, 18th June 1872, No. 181 A. I.:—

I AM directed to acknowledge receipt of your letter No. 1,320, dated 14th May 1872, and, in reply, to state that, under the explanation therein given, the Governor-General in Council is pleased to allow the amount of the estimate sanctioned in Public Works Department letter No. 143 A. I., dated 26th April last, for the maintenance of buildings and channels connected with the Streeviguntum Anicut Project (Rupees 8,400) being considered as additional to the original estimate for the project; but the outlay on the repairs in question must be met from the ordinary grant as originally proposed by the Madras Government.

2. I am at the same time to point out that all money expended on the repairs of old channels, now connected with the project, which yielded revenue or were brought into operation before the anicut was commenced, should be charged to "Repairs, Ordinary" as a revenue charge unconnected with the new project, and that only the repairs of the anicut and of the new channels which have not commenced to yield revenue should be charged against the Capital Account of the project.
