*Proceedings of the Madras Government, Public Works Department,
9th July 1872.*

No. 166. Read the following letter from the Acting Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 5th June 1872, No. 2,024:—

WITH reference to Government Orders as per margin, I have the honour to submit two statements in forms prescribed by Government—one of unfinished

G. O. 8th April 1870, No. 979, Public Works Department.

G. O. 15th December 1870, No. 3,044, Public Works Department.

works of previous years, and another of new works which it is intended to carry out during the current year.

2. The proposed expenditure for the current year for new and incomplete works amounts to Rupees 60,518 and Rupees 8,324: correct estimates for the balance of the sums allotted have not yet been received.

3. Delay in submitting these statements has been caused by apparent misconception of the orders of Government on the subject.

4. In some cases, owing to objections made by the officers of Department Public Works, estimates prepared under direction of Police Superintendents have not been forwarded for orders of Government, and those works cannot in consequence be entered.

5. I request sanction of Government for the revised allotment of funds proposed in the enclosed list to enable this Department to meet the increased expenditure in certain districts.

6. The Superintendent of Police, Tinnevely, reports that no statement can be submitted for his district as the Superintending Engineer declines to have the works for the current year carried out on the estimates prepared by the Department Public Works in previous years.

MADRAS,
6th June 1872.

(Signed) W. S. DREVER, Major,
Acting Inspector-General of Police.

No. 167.

ORDER THEREON, 9th July 1872, No. 1,654.

ACCOUNT, No. 9.

It is now upwards of two years since the Government approved of certain rules the object of which was the attainment of greater precision in the distribution of the lump sums annually made available for Police buildings. They involved the submission to Government at the commencement of each official year of two statements of unfinished and new works respectively, for which estimates should have been sanctioned in the regular course.

2. Two months after the commencement of the current official year, the Inspector-General of Police lays before Government statements for incomplete and new works respectively amounting to Rupees 8,325 and Rupees 60,519, making a total of Rupees 68,844, out of a budget grant of Rupees 80,000. But

*Proceedings of the Madras Government, Public Works Department,
9th July 1872.*

on scrutiny of these lists, it is found that estimates to the following extent have not even been received in the Government Office, much less sanctioned, namely:—

	Incomplete Works.	New Works.	To be carried out by
	RS.	RS.	
Cuddapah ...		2,177	Police Department.
North Arcot ...		56	Department Public Works.
Chingleput... ..	642	1,290	Police.
	Supplemental estimate.		
South Arcot ...		2,585	Department Public Works.
Madura ...		2,000	Police.
Tinnevelly... ..	54		Do.
	Excess expenditure.		
South Canara ...		1,110	Do.
	696	9,218	

The statements, should, therefore, properly include only incomplete works to the extent of Rupees 7,629, and proposed works to the extent of Rupees 51,301, making an aggregate of Rupees 58,930 out of Rupees 80,000 allotted.

3. The lists are approved accordingly to that extent only, and as the first quarter of the year has been allowed to elapse before sanction will have been obtained for the remaining Rupees 21,000, one fourth of that sum is transferred to the Reserve in the Provincial Budget under "Civil Buildings."

The revised allotments proposed by the Inspector-General of Police will hold good with the following deductions:—

	RS.
Vizagapatam ...	625
Jeypore ...	625
Cuddapah ...	2,000
Tinnevelly... ..	2,000
Making up the total of ...	5,250

by which the budget grant is lessened.

4. The Police Department have for years been exempted from the standing budget rule, that no grants shall be made except on account of works which have been duly estimated for and sanctioned, and there is no reason why they should not now conform to the practice of other departments. The Inspector-General will therefore lose no time in compiling from the statements which he must already have before him of the most pressing wants of each district, a list of Police works roughly estimated to cost in all Rupees 70,000 (with a reserve of Rupees 10,000 for incomplete works and contingencies) for approval of Government, and orders to Superintending Engineers for the preparation of detailed plans and estimates in time for entry in the budget of 1873-74. It is evident that strict conformity to the budget rules is henceforth imperatively necessary to ensure the full expenditure of allotments, which the Executive officers cannot get through if they receive their sanctions so late in the year as happens under present arrangements.

*Proceedings of the Madras Government, Public Works Department,
9th July 1872*

5. The Superintending Engineer of the 8th Division will prepare estimates for the works of Tinnevely District, revised as may be found necessary under existing circumstances with the least possible delay.

With reference to Government

*G.O. 8 April 1870 No 979 P.W.D.
G.O. 15 Dec 1870 No 3044 P.W.D.*

*Order as per margin, I have the honor
to submit 2 statements in forms prescribed
by Government one of unfinished work
of previous years and another of new
works which it is intended to carry
out during the current year.*

*2. The proposed expenditure for the
current year for new and incomplete work
amounts to Rupees 60,518 and 8,324. Correct
Estimates for the balance of the sums allotted*

have

have not yet been received

3. Delay in submitting these statements has been caused by apparent misconception of the orders of Government on the subject.

4. In some cases owing to objections made by the Officers of D.P.W. Estimates prepared under direction of Police Superintendents have not been forwarded for orders of Government and those works cannot in consequence be entered.

5. I request sanction of Government for the revised allotment of funds proposed in the enclosed list to enable this Department to meet the increased expenditure in certain Districts.

6. The Superintendent of Police Sinnerelly reports that no statements can be submitted for his District as the Superintending Engineer declines

to have the works for the current year carried out on the Estimates prepared by the D.P.W. in previous years.

I have the honor to be

Chief Office of the
Inspector General of Police
Madras 5th June 1872

William Major
Inspector General of Police

two statements, of new-
-finished and new works
respectively, for which
estimates should have
been sanctioned in the
regular course.

Two months after the
commencement of the
current official year,
the Inspector General of
Police lays before Govt.
statements for incomplete
and new works respec-
-tively amounting to
Rs 8,325 and Rs 60,519,
making a total of Rs
68,844 out of a Budget
grant of Rs 80,000. But
on scrutiny of these lists,
it is found that estimates
to the following extent have
not even been received

in

the Govt. office much
less sanctioned viz:-

Incomplete works	New Works	To be car- ried out by
—	2710	Police Departt.
—	2177	do
—	56	D.P.W
642 suppl. estimate	1290	Police
—	2585	D.P.W
—	2000	Police
51 excess expenditure	—	Police
—	1110	Police
696	12,128	

9,218

The statements should
therefore properly include
only Incomplete Works
to the extent of Rs 7629
and proposed works
to the extent of Rs ⁵¹³⁰¹ 18,391,
making an aggregate
of Rs ^{58,930} 56,020, out of
Rs 80,000 allotted

The

The lists are approved accordingly to that extent only, and as the first Quarter of the year has been allowed to elapse before sanction will have been obtained for the remaining Rs 21000 ~~240,000~~, one fourth of that sum is transferred to the Reserve in the Provincial Budget under "Civil Building".

The revised allotments proposed by the Inspector General of Police will hold good with the following deductions.

Vizagapatam	Rs 1000	625
Jeypore	" 1000	625
Cuddapah	" 2,000	
Tinnevely	" 2,000	
making up the total of Rs 6,000		5250

by which the Budget grant is lessened 71 1/2

The Police Department have for years been exempted from the Standing Budget Rule that no grants shall be made except on account of works which have been duly estimated for and sanctioned, and there is no reason why they should not now conform to the practice of other Departments. The Inspector General will therefore lose no time in compiling from the statements which he must already have before him of the most pressing wants of each District, a list

of Police works, roughly
estimated to cost in
all Rs 70,000 (with a
Reserve of Rs 10,000 for
incomplete works and
contingencies) for approval
of Govt, and orders to
Super Engineers for the
preparation of detailed
Plans and Estimates
in time for entry in
the Budget of 1873/74.
It is evident that strict
conformity to the Budget
Rules is henceforth in-
-peratively necessary
to ensure the full ex-
-penditure of allotments,
which the Executive
Officers cannot get through
if they receive their sanc-
-tions so late in the year
as happens under present
arrangements - 17/7/72

arrangements - 17/7/72
The Super Engineer
8. Division will pre-
-pare estimates for the
works of Tinnevely
District, revised as
may be found neces-
-sary under existing
circumstances, with the
least possible delay.
