Public Works Department Resolution No. 652-7 A. R., dated 23rd October 1871, directing the submission by Railway Companies of monthly Revenue Accounts.

No. 962, dated 10th May 1872, for Consulting Engineer, Lucknow.

RESOLUTION.—All the Guaranteed Railway Companies having now commenced to forward regularly the monthly Revenue Accounts called for by the Government of India, the Governor-General in Council is of opinion that the time has arrived for doing away with the monthly accounts of the Revenue receipts and payments now prepared and sent forward by the several Guaranteed Railway Companies. The submission of these documents should, therefore, be discontinued, but in lieu thereof, each Railway Company should furnish at the close of the month a detailed distribution statement of the Revenue Cash Balances, checked and vouched for by the Government Examiner of Railway Accounts, in which suspense items should be clearly exhibited, the normal and abnormal items being shown distinctly.

2. The Governor-General in Council is further prepared to forego the submission of the similar monthly Accounts of capital receipts and disbursements, on being furnished with a monthly statement of the capital account of each Railway in the form which was forwarded to the Examiners of Railway Accounts with Accountant-General, Public Works Department's No. 288-91 R, of the 8th May last. The first starting of these new capital statements will doubtless require a certain amount of labour and attention, but, if the Railway Companies' officers co-operate with the Government Examiners in their preparation, it is confidently expected that all existing difficulties will soon be overcome. *
