*Proceedings of the Madras Government, Public Works Department,
15th July 1872.*

No. 258. Read the following letter from the Officiating Superintending Engineer, 2nd Division, to the Secretary to Government, Public Works Department, dated Bezwadah, 28th June 1872, No. 52 :—

In reply to G. O., No. 1,493, of 17th instant, I have the honour to report that the Guntoor Range may be abolished, and that the Sattanapulli Taluq may be attached to the Palnad Range; but I cannot recommend the Guntoor Taluq being transferred to the Western Delta Range, as the works in this section are very important and demand the constant care and attention of all the officers employed in that delta.

2. The Guntoor Taluq might be amalgamated with the present 5th Range* and form, with the roads in the adjacent Zemindaries, the second dry range of the Kistna District.

* Bezwadah and Nundigama Taluqs.

No. 259. ORDER THEREON, 15th July 1872, No. 1,701.

ESTABLISHMENT, No. 17.

THE Superintending Engineer's recommendation cannot be acted upon, as the arrangements proposed would not suit the Local Fund Circles of the district.
