*Proceedings of the Madras Government, Public Works Department,
16th July 1872.*

No. 269. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 28th June 1872, No. 1,237 :—

With reference to paragraph 4 of G. O., No. 1,446, dated 12th June 1872, I have the honour to state that no explanation was offered in connection with the extra punt for which maintenance had been applied for by Captain Mead, as it was presumed that the Government were aware of this punt having been sanctioned

by them in G. O., Marine Department,*
• Public Works Department, No. 171, dated No. 22, dated 10th February 1872,
22nd February 1872. subsequent to Major Mullins' inspection

of the floating plant of the Godavery District, and which was therefore not estimated for by that officer.

No. 270. ORDER THEREON, 16th July 1872, No. 1,707.

ACCOUNT, No. 18.

UNDER the explanation now afforded the Government sanction a further sum of Rupees 150 for the maintenance of

the additional sea-punt referred to in this letter, and direct that the amount be provided from the allotment at the disposal of the Superintending Engineer under "Tools and Plant," Imperial.

2. Lieutenant-Colonel Fischer should however have fully explained, in the first instance, any differences appearing in the comparative statement submitted by him.
