*Proceedings of the Madras Government, Public Works Department,
16th July 1872.*

No. 273. Read the following letter from the Secretary to the Government of India, Public Works Department, (Account—Buildings and Roads,) to the Secretary to the Government of Madras, Public Works Department, dated Simla, 1st July 1872, No. 246 A. B:—

I AM directed to acknowledge receipt of your letter, No. 1,289, dated 14th May 1872, requesting sanction to a provision of Rupees 38,000 for the completion of certain telegraph buildings in progress on 1st April 1872, and in reply to state that the Governor-General in Council does not consider it desirable at present to sanction an additional grant for the purpose, or to agree to a transfer being made from the allotment for the Telegraph Office at Madras, as that allotment will probably be required for the purpose for which it was assigned.

2. The Governor-General in Council is, however, pleased to sanction the completion of the buildings referred to, and in view to admit of funds being formally assigned for the purpose to authorize the Government of Madras to apply for an additional grant, if necessary, in submitting the Regular Estimate for 1872-73.

3. It is noticed that the work of constructing the Telegraph Office at Bellary is being proceeded with without a sanctioned estimate. The irregularity should be rectified as early as possible.

No. 274. ORDER THEREON, 16th July 1872, No. 1,709.

TELEGRAPH, No. 3.

COMMUNICATED to the Superintending Engineers of the 1st, 3rd, and 6th Divisions and to the Controller of Public

Works Accounts for information and guidance.

2. The Telegraph Offices which are now authorized to be completed in anticipation of funds are those at Rajahmundry, Cocanada, Bellary and Negapatam, and the Controller of Public Works Accounts will, in submitting the Regular Estimate for the current year, specify the expenditure past and prospective on those buildings in view to additional assignments being provided.

3. The estimate now under preparation for the Bellary Office should be submitted for approval with the least practicable delay.
