Dated 20th July 1872

*Proceedings of the Madras Government, Public Works Department,
20th July 1872.*

No. 316. Read the following letter from the Officiating Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 25th June 1872, No. 682 :—

I HAVE the honour, with reference to paragraph 2 of G. O., No. 2,464, dated 14th October 1870, to state as follows.

2. I have inspected the District Engineer's Office at Kurnool, which is occupied partly as a Range Office and partly as a private residence by the Range Officer, and I am of opinion that Rupees 10 per mensem would be a fair rent.

3. The abandonment of Kurnool as a Military station has given residents a greater choice of bungalows, and has lowered rents; I do not therefore see that Government can well charge a higher rent for the three rooms in the office than would be demanded for a house equally good, if not better. I think it however unlikely that Lieutenant Taylor on taking charge of the range will occupy these rooms, as he is a married man.

4. The whole building must be kept in order, and although Government may perhaps not gain much by the rent, after covering cost of repairs, I cannot think they would wish a public building, which may be hereafter required as a District Office, to be neglected. I therefore trust that the proposed monthly rent of Rupees 10 per mensem fixed by me be approved.

5. The small bungalow at Kudlighi, in the Hospett Range, Bellary District, was formerly a 3rd class Range Office, and in consequence of the re-distribution of ranges in 1868 the building became available for the Overseer of the taluq.

6. The Range Officer fixes Rupees 4 per mensem as a fair rent chargeable to the Overseer, and furnishes the following particulars :—

	Rs.
Twelve months' rent	48
Average annual cost of repairs	25
	—
To credit of Government...	23

I therefore beg to recommend that the rent be fixed as recommended.

No. 317. ORDER THEREON, 20th July 1872, No. 1,732.

ACCOUNT, No. 24.

THE Government sanction the rent proposed to be charged for the buildings occupied by the Range Officer, Kurnool, and by the Overseer of the Kudlighi Taluq.

Sir,

I have the honor with reference to para 2 of G. O. No. 2164, dated 11th October 1870, to state as follows:-

2. I have inspected the District Engineer's Office at Kurnool, which is occupied partly as a Range Office and partly as a private residence by the Range Officer and I am of opinion that Rs 10 per mensem would be a fair rent.

3. The abandonment of Kurnool as a Military Station has given residents a greater choice of bungalows and has lowered rents; I do not therefore see that Government can well charge a higher rent for the three rooms in the Office than would be demanded for

for a house equally good, if not better. I think it however unlikely that Lieut: Taylor, on taking charge of the Range will occupy the rooms as he is a married man.

4. The whole building must be kept in order, and although Government may perhaps not give much by the rent, after covering cost of repairs, I cannot think they would wish a public building, which may be hereafter required as a District Office, to be neglected. I therefore trust that the proposed monthly sum of Rs. 15 per annum will be fixed by me to be approved.

5. The small bungalow at Hudlighi, in the Aspet Range, Bellary District was formerly a 3^d class Range Office, and in consequence of the re-distribution of Ranges in 1868, the building became available for the use of the Taluk.

The Range Office is fixed Rs. 4 per annum as a fair rent chargeable to the Overseer and furnishes the following particulars—

Twelve months rent Rs. 15
Average Annual cost of Repairs . . . Rs. 25
To Agent & Cart: Rs. 23

I therefore beg to recommend that the rent be fixed as recommended.

I have the honor to be
Sir
Your most Obedt. Servant.
