I AM directed to acknowledge the receipt of your letter No. 1,486, dated the 15th June 1872, representing the impracticability of withholding increases to salaries sanctioned with the concurrence of the Local Government prior to the receipt of the orders issued in Public Works Department No 122—E. R., of 9th February 1872.

2. In reply, I am directed to observe that any formal covenants for stated periods that have been entered into between the Company and any other officers must be observed, but the Government of India cannot admit that any salary fixed otherwise than by covenant or the maximum salary to be attached to any specific appointment cannot be subsequently regulated.

3. The Government of India do not desire to have any increased pay, that might already have been disbursed prior to the receipt of Public Works Department No 122—E. R., of the 9th February 1872, retrenched, but will await a reply to Public Works Department No 658—E. R., dated 9th May 1872, before dealing with the special exemptions therein mentioned, which have been proposed by the Government of Madras, to the rules laid down in the former letter.

4. The Government of India have accepted the other increases reported by the Government of Madras in letter No 962, dated 12th April 1872, to which no exception was taken in Public Works Department No 658—E. R., of 9th May 1872, as well as those reported under your endorsements Nos. 1,456 and 1,495, dated 12th and 17th June 1872, respectively.
