ESTABLISHMENT, No. 26

SIR,—With reference to letter No 740-E G, dated 12th June, I am directed to inform you that a copy of Nos. 239-240 relative to an increase of the rates of mileage and batta to Members of the Office Establishment of the Chief Engineer for Irrigation was not forwarded for the sanction of the Supreme Government as the increased charge involved was very trifling and a similar increase for the Establishment of the Consulting Engineer for Irrigation was made in 1863 without a reference to the Supreme Government, and the sanction then accorded was not challenged. I am directed to forward a copy of 239-240, and to request that, under the circumstances therein represented, the sanction of the Government of India may be accorded to the increase of the rates of mileage and batta for the Members of the Establishment of the Chief Engineer for Irrigation therein suggested and approved by this Government.

I have the honour to be,

Sir,

Your most obedient servant,
