From the Government of India in the Public Works Department, to the Secretary to the Government of the North-Western Provinces in the Public Works Department, dated 8th May 1872, No. 367-I.

REFERRING to Entry No 12 in Part A. of the Proceedings of the Government of North-Western Provinces, Public Works Department, Irrigation Branch, for February, I am directed to state that the Government of India attaches great importance to the incorporation of all tested and reliable lines of levels taken by the Irrigation and Railway Branches with those of the Great Trigonometrical Survey; and to request that early steps may be taken by the departments concerned to secure the due record of the same, and His Excellency in Council trusts that the plea of insufficient establishment will not be urged as a reason for postponing the timely record of valuable information.

No. 333. ORDER THEREON, 24th July 1872, No. 1,761.

IRRIGATION, No. 18.

REFERRED to the Irrigation and Railway Departments in order that the information available relative to reliable lines of levels may be recorded and submitted to Government with a view to their incorporation with the levels taken by the Great Trigonometrical Survey Department.

The first of these
 is the fact that the
 government has
 been unable to
 maintain a
 stable currency
 since the war.
 This has led to
 a general
 loss of confidence
 in the government
 and its policies.
 The second fact
 is that the
 government has
 been unable to
 maintain a
 stable economy
 since the war.
 This has led to
 a general
 loss of confidence
 in the government
 and its policies.
 The third fact
 is that the
 government has
 been unable to
 maintain a
 stable society
 since the war.
 This has led to
 a general
 loss of confidence
 in the government
 and its policies.
