*Proceedings of the Madras Government, Public Works Department,
25th July 1872.*

No ³⁵⁷407. Read the following letter from the Acting Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 5th July 1872, No 2,433.—

I HAVE the honour to submit, for the sanction of Government, an estimate, amounting to Rupees 11, for repairing the station-house at Aurumpauk, North Arcot District.

2. The Superintendent of Police reports that the building in question is a thatched hut, being used as a temporary station-house, and will be sufficient for all the present requirements on the spot. There appears to be no necessity at present for the construction of a new and permanent station-house at the locality, and the present building is worth the repairs now recommended, (renewal of the roof, etc.)

3. Funds are available from the Budget repair allotment of the district for 1872-73.

4. The above estimate is submitted to Government as required by paragraph 15, Chapter XXIV, Public Works Code, as the estimated cost of repairs exceeds one-fourth of the value of the building, which is reported to be Rupees 10 only.

No. ³⁵⁸408. ORDER THEREON, 25th July 1872, No. 1,775.

CIVIL WORKS, No 15

CHAPTER V. of the Madras Code, paragraph 22, provides that "no estimate shall be submitted to the Central Office

for any work or repair of which the probable cost is less than Rupees 50." Under this ruling the Government direct that *all* estimates for Police Works which it has been usual under existing practice to submit to them, be in future sanctioned by the Superintending Engineer, or District Engineer under the organization proposed to be introduced after the 1st October next, if approved by the Inspector General of Police.
