*Proceedings of the Madras Government, Public Works Department,
30th July 1872.*

No. 466. Read the following letter from the Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Madura, 18th July 1872, No. 1,818.—

I HAVE the honour to submit, for the favourable consideration and sanction of

One Contingent Bill.

Government, a contingent bill of Rs. 15,

being balance of office-rent paid by

Executive Engineer Mr. G. S. Sage and Sub-Engineer Mr. McNair for a building rented at Tuticorin during the months of April, May, and June 1872, respectively.

2. In G. O. No. 653, dated 9th March 1872, the Government sanctioned, on my recommendation, an office-rent of Rupees 15 per mensem for a building at Tuticorin; but as it appears that a suitable building could not be obtained at that place for a less sum than Rupees 20 per mensem, the excess of Rupees 5 per mensem over the sanctioned amount has been paid by Messrs. Sage and McNair from their own private funds.

3. As reported in my letter No. 1,595, dated the 8th instant, the head-quarters of the Northern Range have been re-instated at Covilputty, and the rent of the office there will be Rupees 15.

4. Under these circumstances, I trust that the Government will be pleased to authorize the Controller to pass the additional sum of Rupees 15 now solicited for the arrears of office-rent in question.
