Proceedings of the Madras Government, Public Works Department,
8th August 1872.

No. 132. Read the following letter from the Acting Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Camp at Ootacamund, 12th July 1872, No. 76.—

I HAVE the honour to request that Government will be pleased to authorize the Controller of Public Works Accounts to pass Rupees 14-11-0, entered in the contingent bill of the Irrigation Range for the month of May last as having been paid to the *Times* Press for printing forms. The Controller declines to pass the above amount without the authority of Government, as all printed forms which cannot be struck off at the Collector's Press should have been obtained through his office; Mr. Nordmann states that he adopted the course he did to save time, as the forms were urgently required.

No. 133. ORDER THEREON, 8th August 1872, No. 1,877.

ACCOUNT, No. 9.

THE Controller of Public Works Accounts is authorized to pass the charge; but it is observed that if the necessity for the forms had been foreseen at the proper time, there would have been no occasion for departing from the course usually followed in procuring them.
