*Proceedings of the Madras Government, Public Works Department,
12th August 1872.*

No. 201. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Camp at Sattiamungalum, 26th July 1872, No. 94.—

With reference to G. O. No 2,819, dated 23rd November 1870, as there appears to be no chance of ever realizing anything like the value of the old building therein referred to, I have the honour to solicit the permission of Government to hand it over to the Revenue Department, who are prepared to utilize it as a Civil Dispensary and Hospital; the want of such an institution is much felt at Sattiamungalum where a Hospital Assistant is stationed, but who has neither shelter for his drugs nor his patients. The building is conveniently situated for the purposes of a Dispensary and Hospital, being next to the Police Station and opposite to the Cutcherry and Sub-Jail Hospital, and affords sufficient accommodation for the Hospital Assistant to reside in the premises.

2. I take this opportunity of reporting that, under the new arrangement now existing in regard to the Irrigation Range, the estimate sanctioned in G. O. No. 1,372 of the 17th May 1871, is no longer required, and space for the stowage of such tools as required for use in the vicinity of Sattiamungalum can be provided in Overseer's store-room at that station.

No 202. ORDER THEREON, 12th August 1872, No. 1,913.

CIVIL WORKS, No. 13.

THE Governor in Council authorizes the transfer of the unsaleable building formerly used as a Range Office at Sattiamungalum to the Revenue Department, who, it appears from this letter, can utilize it as a Civil Dispensary and Hospital. The sanction to a plan and estimate of Rupees 1,170 for the construction of a new Range Office at that station which was accorded in G. O. No. 1,372, dated 17th May 1871, may, under the circumstances, be considered cancelled.
