In continuation of Public Works Department letter, No. 1,068-G. A special effort should be made to prepare and submit the returns now in arrear, in order that the publication of the abstract of the earnings of all Railways for the second quarter of 1872 may not be delayed.

2. From the enclosed list of the dates of the last received returns for the several lines, it will be seen that, with three exceptions, the returns are furnished with fair punctuality.
