To be returned. letter marginally noted, with the view of the one medical officer and the subordinates, no longer required on the Upper Godavery Works, being replaced at the disposal of His Excellency the Commander-in-Chief for military duty, the services of medical officers being most urgently required. In making this request I beg to mention that already on my urgent application two of the First Class Hospital Assistants there have recently been placed at my disposal. From the Officiating Secretary to Chief Commissioner, Public Works Department, Central Provinces, to the Principal Inspector-General, Medical Department, Fort St George, dated Nagpore, 15th July 1872, No. 4,002

I AM desired by the Chief Commissioner to forward herewith a list of the Medical Establishment at present attached to the Godavery Works, costing Rupees 1,560 per mensem, and to state that in consequence of the reduction of the Engineering Establishment attached to these works, the medical staff is considered much in excess of what it need be, and may with advantage, the Chief Commissioner considers, be reduced to one Assistant Surgeon, one First Class Hospital Assistant, and one Second Class Hospital Assistant, which reduction, Mr. Morris suggests, should be effected in communication with the Secretary to the Government of Fort St. George, Public Works Department, as the entire Godavery Works are on the eve of transfer to the Madras Government.
