*Proceedings of the Madras Government, Public Works Department,
17th August 1872.*

No. 287. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Acting Chief Engineer for Irrigation and Joint Secretary to Government, Public Works Department, dated Dowlaishweram, 25th July 1872, No. 1,563 —

WITH reference to paragraph 3 of your memorandum embodied in G. O. No. 1,447, dated 12th June 1872, I have the honour to inform you that in consequence of the present highly unhealthy state of the country in and around Jeypore, I telegraphed to Captain Beatty to order away Mr. Assistant Engineer Turner, who had proceeded to the Jeypore Ghaut to carry out the work entrusted to him. The accompanying is a copy of Captain Beatty's reply, from which it will be seen that both Mr. Turner, the Assistant Agent, and Captain Heming are now in Waltair, having quitted Jeypore, as travelling at this season in that country becomes impossible and out-of-door work impracticable.

2. As in accordance with Captain Beatty's recommendation it will be necessary for Mr. Assistant Engineer Turner to be away from the Jeypore Ghaut up to the end of October next, I propose employing him on Irrigation projects in Vizagapatam for the present.
