*Proceedings of the Madras Government, Public Works Department,
20th August 1872.*

No. 326. Read the following Endorsement of the Officiating Controller of Public Works Accounts, dated Fort St. George, 7th August 1872, No. 1,013:—

From the Officiating Accountant-General, to the Officiating Controller of Public Works Accounts, dated Fort St. George, 3rd August 1872, No. 3,485.

WITH reference to your applications noted marginally to deduct Rupees 183 from the allotment placed at the disposal of the Public Works Department in Ganjam and to increase that of Vizagapatam by a similar sum, I have the honour to point out that there appears to be a typographical error in the Order of Government, Public Works Department, No. 135, dated 16th ultimo. The transfer from the provision for the Bimlipatam School-house is not Rupees 35, as therein

* *Vide* G O No. 173, dated 11th January 1872, Educational Department.

shown, but Rupees 38,* which sum, if deducted from Rupees 50 the Budget

provision for the said school and transferred to the Presidency, leaves a balance of Rupees 12, and the difference between it and the estimate of Rupees 208 required for repairing the school-house at Bimlipatam is Rupees 196, not Rupees 183. The former sum should, therefore, be applied for, or a reference made to Government as to the correct amount.

2. A copy of this letter is being sent to the Director of Public Instruction, as the errors are in the printed copy of a letter from him to Government.

SUBMITTED for the information and orders of Government.

(Signed) D. H. TRAIL, Captain, R E,
Officiating Controller of Public Works Accounts.

No. 327. ORDER THEREON, 20th August 1872, No. 1,979.

ACCOUNT, No. 30.

As it appears from this letter that an additional sum of Rupees 13 is required to make up the balance of the Anglo-Vernacular School-house at Bimlipatam, the transfer of that amount from the remaining portion of the provision* for the Zillah School-house at Berhampore is authorized.
