*Proceedings of the Madras Government, Public Works Department,
20th August 1872.*

No. 332. Read the following letter from the Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Madura, 30th July 1872, No. 2,066:—

I HAVE the honour to submit, herewith, the Controller's list of disallowances from the travelling allowance bill of the Dindigul Range for the month of May 1872, and to report as follows.

2. Cundasawmy Pillay, Assistant Accountant and Writer in the Dindigul Range Office, was absent on privilege leave during part of May and June 1872, and one Mahalingum Pillay, a volunteer in that office, performed the duties without pay. But when the Range Officer went out on circuit it was absolutely necessary that he should have a writer with him; and as there was no other available, the volunteer had to accompany him, and it is only reasonable that his travelling allowances should be paid.

3. Under these circumstances I beg that the Government will be pleased to authorize the Controller to pass Mahalingum Pillay's travelling allowances, namely, Rupees 2-14-5, to which amount the permanent incumbent would have been entitled had he performed the same work.

4. It appears to me not unworthy of consideration that when a senior officer of a department obtains privilege leave his duties are conducted in his absence by his juniors in that department; but when the junior man in an office gets leave there is no one in the office to take up his duties. Hence, he must either be permanently debarred from leave, or else the office must suffer more or less inconvenience. In the present case the privilege leave to which the Pillay was entitled was granted to him to enable him to celebrate his nuptials, and a volunteer of two years' standing in the Dindigul Range Office accompanied the Range Officer in his circuit as writer, as above explained.

No 333. ORDER THEREON, 20th August 1872, No. 1,982.

ACCOUNT, No. 32.

THE Controller of Public Works Accounts is authorized to pass the bill of Rupees 2-14-5 for travelling allowance due to volunteer Mahalingum Pillay.

It was the As-

and for whom a

I see no objection
to the transaction
Monroe being present.
It does not constitute
an entire change in the

present, he would have
drawn it.
