*Proceedings of the Madras Government, Public Works Department,
26th August 1872.*

No. 425. Read the following letter from the Secretary to the Government of India, Public Works Department, (Account—Irrigation,) to the Secretary to the Government of Madras, Public Works Department, dated Simla, 12th August 1872, No. 230-A. I:—

An urgent call has been made on the Government of India by the Governor-General's Agent for Rajpootana for an additional grant of Rupees 50,000 from Loan Funds for expenditure on Irrigation Works. In order to obviate the necessity of an application being made to the Financial Department for this sum so early in the year, I am directed to inquire if Rupees 30,000 can be spared from Irrigation Loan Funds allotted to Madras for 1872-73.

2. Considering that the expenditure* (Rupees 7,67,434) incurred in Madras on Extraordinary Irrigation Works during last year fell so far short of the grant (Rupees 17,95,000), and taking into consideration that the grant for the current year for this class of works amounts to Rupees 11,00,000, the Governor-General in Council is disposed to think that the small amount now required may perhaps be made available without a further increase to the total allotment for the whole of India by the transfer proposed in the preceding paragraph.

3. I am further directed to request the favour of an early reply to this inquiry.

No. 426. ORDER THEREON, 26th August 1872, No. 2,032.
