No. 442. ORDER THEREON, 27th August 1872, No. 2,037.

ACCOUNT, No. 38.

IN the orders on the Madras Budget, dated 12th March 1872, No. 246 A. G., the Right Honourable the Governor-

General in Council called for a list showing the exact items which make up the sum provided in the current year's Budget for compensation for house-rent to Military and Medical Subordinates. These lists have now been received from Superintending Engineers, and the accompanying statement has been compiled from them. The statement furnished by the Superintending Engineer of the 5th Division gives only the amount passed in each month of the past official year, and does not contain the details which the Government of India require, and which have accordingly been obtained from the Controller's Office, the entries in the statement representing the amount actually passed in July 1872, and the calculation for the year being made with reference to the charges of that month.

2. His Excellency the Governor in Council observes that the grants for some districts are much larger than the estimated expenditure, and although the charges are liable to fluctuation owing to changes in the staff of subordinates, it is unlikely that those grants will be needed to the full extent, and the following reductions are accordingly ordered:—

	RS.
Vizagapatam	1,000
Presidency	2,000
Bangalore	1,000
Neilgherries	500
Malabar	1,200
South Canara	300
Total	6,000

This sum will be held at the disposal of Government; and adverting to G. O.

*Proceedings of the Madras Government, Public Works Department,
27th August 1872.*

No. 1,858 of 7th instant, Rupees 1,600 are transferred, in anticipation of the sanction of the Government of India, to meet the outlay for quarters for two Medical Warrant Officers on the ground floor of the old East India Veteran Company Barracks at Vizagapatam.

3. The Government of India in their orders above quoted suggest the expediency of providing house accommodation by utilizing vacant buildings whenever it is possible to do so; but from the reports of Superintending Engineers it appears that such buildings do not at present exist.

Sir
As directed in para 5 of
G.O. N^o 856 dated the 27th March 1872
I have the honor to forward a State-
ment showing the exact items which
make up the sum provided in the
Budget on account of Compensation
for House rent to Military and
Medical subordinates. It will be
observed that the items in the
Statement aggregate Rs 4062 while
the sum provided in the Budget

Statement showing the
items which make up
the sum provided in
the Budget of 1872-73
on account of Compensation
for House rent to Military and Medical
subordinates
at Jaipur

on account of House rent is Rs 4,830⁺
but as the amount is liable to
fluctuation owing to frequent changes
in the staff of Military and Medical
Subordinates as well as to the rank
of the individuals appointed and
the high rates of rent asked for
the houses by the Landlords it is
necessary that there should be a
sufficient margin left to meet
the fluctuations. The entries in the
margin shew the Expenditure incurred
on account of House rent from 1868-69
to 1871-72 and it will be observed
therefrom that there has been a
marked increase from year to year
in the rent paid, I would therefore
beg to suggest the expediency of
sanctions being accorded for constructing
4 or 5 Quarters for the Staff Corpsants
at Trichinopoly according to the
standard plan as by doing so a
large saving in actual money pay-
ment

on account of House rent will be
effected whilst the fact of Public
Quarters being available for this
Class of Officers will materially
lower the amounts of House rent
now asked for by the Landlords.
Estimates for the Buildings man-
-ginally noted have been sanctioned
and they have been included in the
Statement of Works to be provided for
in 1872-73 submitted to Government
on the 26 April, N^o 62.

Buildings existing at Trichinopoly

In their orders
on the Minister Budget
dated 12th March 1872
No. 246 A. G. the Right
Honorable the Governor
General in Council
called for a list
showing the exact
items which make
up the sum provi-
ded in the current
year's Budget for com-
pensation for house
rent

rent to Military and
Medical Subordinates.

These lists have now
been received from
Super Engineers and the
accompanying statement
has been compiled
from them. The state-
ment furnished by
the Super Engineer-
s' Division gives
only the amount passed
in each month of the
past official year, and
does not contain the
details which the Govt.
of India require, and
which have accordingly
been obtained from the
Controller's Office

the entries in the state-
ment representing the
amount actually ex-
pended in July 1872
and the calculation for
the year being made
with reference to the
charges of that month.

His Excellency
the Governor in
Council observes
that the grants for
some Districts are
much larger than
the estimated ex-
penditure, and
although the charges
are liable to fluctu-
ation owing to

changes in the staff
of subordinates, it is
unlikely that those
grants will be needed
to their full extent, and
the following reductions
are accordingly ordered.

Vizagapatam	Rs 1000
Presidency	" 2000
Bangalore	" 1000
Neilgherries	" 500
Malabar	" 1200
South Canara	" 300
	6,000

This sum will be
held at the disposal
of Government. And
adverting to G.O. Dec. 1858
of 4th Instant, Rs 1600
are

are transferred, in
anticipation of the
sanction of the
Government of
India, to meet the
outlay for Quarters
for two Medical
Warrant Officers on
the ground floor
of the old East
India Veteran
Company Barracks
at Vizagapatam.

The Govt. of India
in their Orders
above quoted suggest
the expediency of

providing house ac-
 commodation by
 utilizing vacant
 buildings whenever
 it is possible to do
 so, but from the
 reports of Superintendents
 it ~~is observed~~ ^{appears} that
 such buildings do
 not at present exist.

Docket No. 20382

Copy of the above
 forwarded to the Govt
 of India.
