*Proceedings of the Madras Government, Public Works Department,
27th August 1872.*

No. 462. Read the following letter from the Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Camp at Kokracolum, 14th August 1872, No. 2,291 :—

I HAVE the honour to submit, for the favourable consideration of Government, a bill for mileage claimed by Mr. Sub-Engineer McNair for a dawk journey performed by him on the 25th June 1872, amounting to Rupees 11-4-0.

2. The journey was undertaken by Mr. McNair to meet Executive Engineer Mr. Rundall, in order to hand over, by my orders, the light-house and other public buildings at Tuticorin, and I accordingly passed the mileage in addition to the usual tentage allowance for the above date. The Controller has, however, disallowed the former on the plea that, under clause XI. of paragraph 2 of the rules, the Government alone can authorize the grant of mileage in addition to the ordinary tentage to a member of the upper subordinate grade. Under these circumstances, I now represent the matter for the favourable consideration of Government, and I trust that they will be pleased to sanction the sum of Rupees 11-4-0 claimed by Mr. McNair, to which I feel satisfied he is fairly entitled.

No. 463. ORDER THEREON, 27th August 1872, No. 2,048.

ESTABLISHMENT, No. 21.

THE Governor in Council authorizes mileage being passed to Mr. Sub-Engineer McNair in addition to tentage of his rank, on the understanding that he made the journey for which it is claimed, leaving his camp standing, under the express orders of the Superintending Engineer.
