Sir

Dear Sir

I have the honor to bring to your notice
that Sub-conductor J. Selvaiah Head Drawing
and Surveying Master of the Civil Engineering
College is the senior sub-conductor on the
P. W. list of warrant officers and a vacancy
in the rank of Conductor has existed since
the retirement of Assistant Commissioner (Minority
Cafelan) Howard which occurred some
short time since.

2nd Sub-conductor Selvaiah by his
high personal character and his superior
abilities is amply deserving of promotion to
the grade of Conductor. I have therefore the
honor to request that you will take his
claims into your favorable consideration
and recommend him for the promotion to
which his position in the list of warrant
officers

Officers renders him eligible.

I have the honor to be

Sir

Your most obedt. servt.

Application on behalf
of Sub Conductor Schomay
for promotion to the
rank of Conductor
on the Public Works
Establishment, sub-
mitted for Consideration
Mr. Schomay when a
Sergeant and Asst.
Overseer in the City
and Public
Works Dept. was trans-
ferred to the Civil En-
gineering College at
Madras in May 1865.
In April 1870, he was
promoted to Sub Con-
ductor, and he is
now first in the list

Superintendent of
Public Works.
The following is the
list of Sub Conductors

For another step -
It is submitted
for consideration, whether
that the Sub. (conduct)
for should not be re-
quired, as a condition
of promotion, to enter
into the Upper Subor-
dinate ~~for~~ ranks
of the Dept. as Super-
visor, and take up
Executive duties, in
justice to other Warrant
Officers who gain their
steps of promotion by
much more arduous
and responsible work
than he. The alter-
native being that he
should purchase his dis-
charge, and remain in

I quite endorse
the opinion expressed
in the above memo -
It is objectionable that
a Soldier employed
as purely Civil
duties should have
the benefit of promotion
in the two lines -

In this case the
Sub. in question should
be required to take his
discharge or be content
to be kept over in
the Pub. W. Dept.
