*Proceedings of the Madras Government, Public Works Department,
29th August 1872.*

No. 502. Read the following letter from the Officiating Deputy Secretary to the Government of India, Public Works Department, (Railway,) to the Secretary to the Government of Madras in the Public Works Department, (Railway,) dated Simla, 1st August 1872, No. 1,209 G—R. :—

I AM directed to acknowledge the receipt of your docket No. 1,441, dated the 11th June 1872, giving cover to a copy of Proceedings of the Madras Government, on Minutes of a Meeting at Raichore on the 23rd February last, between the Officers of the Madras and the Great Indian Peninsula Railway Companies.

2. With reference to the discussion which forms the subject of the first clause of the Minutes of Meeting, in connection with the fact that certain vehicles of the Great Indian Peninsula Railway Company were unable to pass along the Raichore platform, and that vehicles belonging to the Madras Railway Company came in collision with some of the fixed structures on the former Company's line, I am directed to request that all the structures and rolling-stock on the Great Southern of India and on the Madras Railways may be thoroughly inspected without delay, in order to ascertain where the standard dimensions, as regards height and width, have not been observed. Early measures should be taken to correct the dangerous deviations which have been noticed, and I am to request that an early report on the subject may be submitted.

No. 1,210 G—R.

Copy forwarded to the Government of Bombay in the Public Works Department (Railway), with the request that the Government of Bombay will take similar action in respect of the Great Indian Peninsula, and the Bombay, Baroda, and Central India Railways.

No. 503. ORDER THEREON, 29th August 1872, No. 2,069.

RAILWAY, No. 82.

COMMUNICATED to the Consulting Engineer for Railways who will observe the instructions herein given and submit an early report on the subject.
