Public Works Department Resolution, No. 830-5-A. R., dated 26th June 1872.

RESOLUTION.—To prevent any misunderstanding, the Government of India is pleased to direct that Consulting Engineers shall supply Examiners of Guaranteed Railway Accounts with copies of the quarterly and half-yearly lists of sanctions for works and maintenance prescribed by Public Works Department Resolution No. 656-60-A.R. of the 10th May last, and shall also advise Examiners of all appropriations made from the Minor Works Grant in the same way as each Local Government advises its Controller of similar appropriations from the Public Works Grant for minor works. It must be distinctly borne in mind that the sanction of the Government of India or of the Consulting Engineer to an estimate is no authority for incurring expenditure, unless the outlay likely to be incurred in the year is covered by an appropriation of funds. In cases where these requirements have not hitherto been attended to, early steps should be taken to have them carried out in their integrity.
