Proceedings of the Madras Government, Public Works Department, 3rd September 1872.

Read the following papers :—

No. 18. From the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Coimbatore, 18th July 1872, No. 87.

1 Plan.
1 Estimate No. 7, Rupees 1,600.
1 Letter No. 2,755, dated 15th July 1872, from the Commissary General, to the Secretary to Government, Department Public Works.
1 List of new buildings required for the Commissariat Department in Malabar.

I HAVE the honour to forward, for sanction and provision of funds, when available, a plan and an estimate, amounting to Rupees 1,600, for constructing a Malt Liquor Godown at Malliapoorum, in the Malabar District.

2. The necessity for the work is duly explained by the Commissary General at Madras in his letter to your address, No. 2,755, dated 15th July 1872, herewith forwarded.

From the Acting Commissary General, to the Secretary to Government, Public Works Department (through the Superintending Engineer, 7th Division, Coimbatore), dated Madras, 15th July 1872, No. 2,755.

I HAVE the honour to represent that a new Malt Liquor Godown is very much wanted at Malliapoorum, the building now in use being badly situated, confined and hot, to which is ascribed the loss from malt liquor going bad, and the prevalence of the borer.

2. Since November 1870, I find that thirteen hogsheads of Ale and eleven of Porter have been condemned at that station, and at this time two of the former and twelve of the latter are awaiting submission to a Committee.

3. This is a very large quantity to go bad out of a supply required to be maintained to meet a monthly consumption of nine hogsheads.

4. From the above circumstances it is very desirable that a new godown, on a suitable site, should be constructed as soon as possible, and I submit herewith a plan of a godown estimated to cost 1,600 Rupees, and I beg strongly to recommend that its construction should be proceeded with at an early date.

RETURNED to the Superintending Engineer, 7th Division, with a view to the approval of His Excellency the Commander-in-Chief being obtained in accordance with paragraph 77, Chapter V. of the Madras Code.

1*st August* 1872. (Signed) G. W. WALKER, Colonel, R.E.,
Secretary to Government.

No. 19. From the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Camp at Erode, 14th August 1872, No. 109.

WITH reference to your endorsement on my letter No. 87, dated 18th July 1872, herewith returned, I have the honour to re-submit the papers alluded to in the above letter, and to state that they have been submitted to, and duly approved by, His Excellency the Commander-in-Chief.
