Proceedings of the Madras Government, Public Works Department, 3rd September 1872.

No. 28. Read the following letter from the Secretary to the Government of India, Public Works Department (Account—Railway), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 16th August 1872, No. 1,080 A. R. :—

I AM directed to acknowledge the receipt of your docket No. 1,660 of the 10th ultimo, forwarding a schedule of works proposed for execution on the section of the North-West Line of the Madras Railway open for less than two years, and to observe that, as the specific works on which outlay is to be incurred are not entered in the schedule, the Government of India desire that, if this has not already been done, the works remaining to complete the line so far as at present determined may be separately entered in a schedule in such a way as to enable the Consulting Engineer to exercise, under the orders of the Government of Madras, a practically effective control over the expenditure on each time. A copy of such schedule should be sent forward to the Government of India for information.

2. The document received with your letter under reply is a schedule of expenditure to be incurred on works to be done on districts and stations, while what is wanted is a detailed schedule of works remaining to complete the line.

No. 29. ORDER THEREON, 3rd September 1872, No. 2,093.

RAILWAY, No. 7.

COMMUNICATED to the Consulting Engineer for Railways, who will submit the list of works referred to in the concluding part of the letter from the Government of India.
