*Proceedings of the Madras Government, Public Works Department,
5th September 1872.*

No. 55. Read the following letter from the Officiating Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Fort St. George, 21st August 1872, No. 1,103:—

THE accompanying completion certificates have been forwarded to this office by the Superintending Engineer of the 8th Division, and as they have been drawn up under circumstances of an exceptional nature and do not meet the requirements of the order* of Government

* G. O. No. 104, dated 16th March 1871. which prescribes the form of certificate to be adopted, I have considered it necessary to submit the documents to Government for orders as to whether they may be accepted.

2. The works referred to were executed during the period Mr. Martin (since dismissed the service) was in charge of the Shevagunga Range. Considering the circumstances of Mr. Martin's dismissal with which the Superintending Engineer is better acquainted than this office, there will be little use in referring these certificates to that officer, as if he had any remarks to make he would have done so on the certificates or in his letter which gave cover to them.

No. 56. ORDER THEREON, 5th September 1872, No. 2,108.

ACCOUNT, No. 5.

THE Controller of Public Works Accounts is authorized to accept the completion certificates submitted with this letter.
