*Proceedings of the Madras Government, Public Works Department,
5th September 1872.*

No. 57. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 1st August 1872, No. 1,888:—

In reply to G. O., No. 32, dated 3rd July 1872, I have the honour to report that Captain Hunter did indent "on loan" for blocks, etc., from the Arsenal, and as he received no notice under G. O., No. 2,957, dated 23rd November 1871, was under the impression that he might return all, paying for any wear and tear of ropes, etc.

2. The articles will be of service in our stock, and may be debited to "Tools and Plant," if the Government will permit, instead of to the gas works.

3. As to the Mint Buildings, it appears that it was supposed that the full allotment could not be expended, and Rupees 400 were surrendered; but a larger amount of work was done than was anticipated, and application to cancel the surrender could not be sent in time.

Provincial Works, Civil Buildings.

1. Work was in progress on the Revenue Survey Office under a sanctioned estimate for Rupees 1,78,400, and the flooring was admitted as being within 5 per cent. of the total sum, and is now nearly completed.

2. The Cooum river was cleaned in consequence of an urgent requisition from the President Municipal Commission, and work was completed before an estimate could be prepared. The completion certificates have been all sent in.

No. 58. ORDER THEREON, 5th September 1872, No. 2,109.

ACCOUNT, No. 6.

COMMUNICATED to the Controller of Public Works Accounts.

2. The proposal in paragraph 2 is approved, and in order to meet the cost of the articles a sum of Rupees 1,687 will be transferred from the Presidency Stores allotment under "Tools and Plant."

3. It is observed that the G. O., No. 2,957, dated 23rd November 1871, was communicated to all Superintending Engineers, and ought therefore to have been in the possession of Captain Hunter.

4. Under the circumstances explained, the excess over appropriation in the other items will be passed.
