*Proceedings of the Madras Government, Public Works Department,
5th September 1872.*

No. 63. Read the following letter from the Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Kokracolum, 16th August 1872, No. 2,326:—

I HAVE the honour to submit, for the sanction of Government, a fresh plan and estimate, amounting to Rupees 1,500, for constructing a Post Office at Sattoor, in lieu of those mentioned in G. O., No. 77, dated 16th June 1870.

- 1 Plan.
- 1 Estimate of Rupees 1,500.
- 1 Specification.

2. As the original plan of the building was found to be very defective indeed in ventilation and in other respects, it has been carefully revised by me; and it is approved by the Postmaster-General.

3. The sum of Rupees 1,500 required for this service has been already allotted in G. O., No. 1,522, dated 22nd June 1872, and I, therefore, request early sanction be accorded to the estimate, in order to enable me to complete the work within the current official year.

No. 64. ORDER THEREON, 5th September 1872, No. 2,112.

CIVIL WORKS, No. 4.

His Excellency the Governor in Council sanctions the revised plan with estimate, amounting to Rupees 1,500, for the construction of the Sattoor Post Office.
