*Proceedings of the Madras Government, Public Works Department,
7th September 1872.*

No. 103. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Camp at Dharapuram, 22nd August 1872, No. 114 :—

I HAVE the honour to forward, for the orders of Government, a memorandum from the Controller of Public Works Accounts, No. 122, dated 12th August 1872, disallowing the railway fare of a horse from Bangalore to Beypore

claimed by Captain H. W. Wood, R.E., Executive Engineer, on his transfer to the Calicut Range.

2. The circumstance under which the claim is made is fully detailed in Captain Wood's letter No. 168 of 16th August, which I beg to forward for the information of Government.

From Captain H. W. WOOD, R.E., Executive Engineer, Calicut, to the Superintending Engineer, 7th Division, dated Calicut, 16th August 1872, No. 168.

I HAVE the honour to forward a list of disallowances from my contingent bill* of travelling charges for the month of July, made by the Deputy Controller of Public Works Accounts.

*Enclosed.

2. The charge made by me is for the carriage of one horse by rail from Bangalore to Calicut. This charge I am informed is inadmissible without the special sanction of Government, and this sanction I beg you will be so good as to obtain.

3. The facts are that, on my transfer to Calicut from Bangalore, I purchased three Pegu ponies, which I was informed was the sole description of animal suited to the climate of Malabar and sold my other cattle.

4. Two animals I was unable at the time of my leaving Bangalore to bring with me, as they remained behind to allow of their being broken in ; so that I suppose I shall have to pay for the carriage of these myself. The third is the one charged for in the contingent bill, and having brought him down with me, I am enabled to sign the certificate that the charge by rail was *bona fide* incurred.

No. 104. ORDER THEREON, 7th September 1872, No. 2,132.

ACCOUNT, No. 14.

THE Controller of Public Works Accounts is authorized to pass the bill submitted by Captain Wood for the

carriage of a horse by rail from Bangalore to Beypore.
