*Proceedings of the Madras Government, Public Works Department,
7th September 1872.*

No. 107. Read the following Endorsement of the Acting Chief Engineer for Irrigation, dated Ootacamund, 20th August 1872, No. 30 :—

From the Acting Manager of the Madras Irrigation and Canal Company, to the Acting Chief Engineer for Irrigation, dated Madras, 10th August 1872, No. 197.

In compliance with the request contained in your letter No. 51 of the 5th instant, I have the honour to propose that the stores at Adamapully be placed in the charge of a Storekeeper at a salary of Rupees 30.

2. This salary is a low one, but inasmuch as the clerical work devolving upon the occupant of the post will be very trifling, and there will now be little if anything to do beyond seeing to the conduction and safety of the stores, I am of opinion that it is sufficient for the duties to be performed.

3. I would suggest that the sanction be for six months, to be renewed if by the expiration of that period other arrangements have not been made for the disposal of the stores.

4. If you concur in these suggestions, I will thank you to obtain sanction accordingly.

5. As mentioned in my No. 185 of 29th ultimo, the existing sanction will lapse on the 12th instant, but the stores must not be left unprotected and the Storekeeper now in charge (who will probably refuse to accept Rupees 30) must remain until the new arrangement has received sanction and been carried into effect. There must indeed be a proper transfer of the property from the outgoing to the new Storekeeper.

6. I shall be glad therefore if the disbursement of salary at the present rate of Rupees 60 can be sanctioned for a few days after the 12th instant.

SUBMITTED to Government.

In G. O. No. 1,169, dated 7th May 1872, sanction was accorded to the employment of a Storekeeper on a salary of Rupees 60 for the purpose of taking charge of the stores at Adamapully. This sanction lapsed on the 12th instant, and the Agent in the above letter proposes, as nothing has yet been definitely arranged as to the disposal of the stores, to appoint a Storekeeper on a salary of Rupees 30 for six months in lieu of the present incumbent who is not likely to accept 30 Rupees. The Agent also proposes that the sanction for the present Storekeeper be extended for a few days to enable him to make over the stores to his successor.

2. I beg to recommend the proposals of the Agent for the sanction of Government. The present Storekeeper may be retained till the 31st instant.

3. The charges will have to be debited to Capital, as if the stores are eventually sold the proceeds of the sale will be credited to that head.

From The Acting Manager

The Acting Chief Engineer

For Irrigation and

Sir,
In compliance with the request contained in
your letter No. 51 of the 5th Instant. I have the honor
to propose that the stores at Adampully be placed
in the charge of a Store Keeper at a salary of Rs. 30/-

This salary is a low one but, inasmuch as
the clerical work devolving upon the occupant of
the post will be very trifling and there will now be
little if any thing to do beyond seeing to the conduct
and safety of the stores, I am of opinion that it is
sufficient for the duties to be performed.

I would suggest that the situation be for six
months - to be renewed if by the expiration of that
period other arrangements have not been made
for the disposal of the stores.

If you concur in these suggestions I will thank
you to obtain sanction accordingly.

As mentioned in my No. 185 of 29th ultimo
the existing sanction will expire on the 12th Instant
but the stores must not be left unprotected and
the

the Storekeeper now in charge who will probably
refuse to accept £12 00/ must remain until the
new arrangement has received sanction and
been carried into effect. There must indeed
be a proper transfer of the property from the out-
going to the new Storekeeper.

I shall be glad therefore if the disbursement
of salary at the present rate of £12 00/ can be
sanctioned for a few days after the 12th instant.

I have the honor to be

Yours most Obedt Servant
