*Proceedings of the Madras Government, Public Works Department, 9th September* 1872.

No. 126. Read the following letter from the Acting Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 30th August 1872, No. 3,095 :—

WITH reference to paragraph 2 of G. O. No. 2,007, dated 23rd instant, I have the honour to report, for the information of Government, that the sum of Rupees 18 referred to *was* spent *before* and *not after* the close of the past official year, as supposed by Government, under the following circumstances leading to the necessity for a re-allotment of funds.

2. The sum of Rupees 18, which was originally provided by a transfer* to the Vizagapatam District for expenditure on the temporary shed at Burjavalsa during 1871-72, should have been drawn from the Superintending Engineer and spent on the work in question. But a similar amount was by an oversight obtained from the Treasury Deputy Collector and expended on the work before the close of the official year. It is not known on what authority the latter officer paid the money to the Superintendent *direct*, nor does the mistake appear to have been discovered until June last, when the Superintendent of Police, Vizagapatam, requested the instructions of this office regarding the adjustment of this irregularly drawn sum as far as the Treasury Deputy Collector's accounts with him were concerned. To meet the above difficulty the present sanctioned allotment (Rupees 18) was solicited as the amount which should have been drawn from the Superintending Engineer has lapsed.

during 1871-72, should have been drawn
from the Superintending Engineer and spent on
the work in question. But a similar
amount was by an oversight obtained
from the Treasury Deputy Collector and
expended on the work before the close of
the official year. It is not known
on what authority the latter Officer

nor does the mistake appear to have been
discovered until last week.

The Superintendent of Police Vizagapatam,
respected the instructions of this Office regarding
the adjustment of this irregularity drawn
June as far as the Treasury Officer & Collector's
accounts are the same were concerned, but met
the objection that the present cancelled
allotment (Rs 18) was solicited as the amount
which should have been drawn & the
Superintending Engineer has refused.
