*Proceedings of the Madras Government, Public Works Department,
12th September 1872.*

No. 170. Read the following letter from the Officiating Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 27th August 1872, No. 1,162:—

REFERRING to my letter No. 667 of 25th June last, and G. O., No. 72, dated 6th July 1872, in reply thereto I have the honour to inform you that the Principal, Civil Engineering College, in his letter No. 309-C of 6th instant, informs me that he has no passed students available for employment as Overseers; I have, therefore, the honour to request that Government will permit me to confirm P. Striramulu Naidoo, now Acting Taluq Overseer, in the Kurnool Range.

2. As before mentioned, this man is well qualified, and highly recommended, and as his father and family are resident at Kurnool, we have a quasi guarantee that he will remain there, and this is no small point, as no one, who can possibly avoid it, will serve in the Kurnool or Cuddapah Districts, and those who are there are perpetually falling sick, and intriguing to get away to some other district.

No. 171. ORDER THEREON, 12th September 1872, No. 2,165.

ESTABLISHMENT, No. 10.

His Excellency the Governor in Council permits the continued employment of Striramulu Naidoo as Acting

Overseer in the Kurnool Range until he shall have passed the required test, or until the services of a duly qualified Overseer are available.

2. Now that there are three grades of Overseers, and appointments in that rank are greatly enhanced in value, the Governor in Council resolves to notify that none but fully qualified Overseers shall be promoted into either of the higher grades or hereafter confirmed in the lower grade.
