*Proceedings of the Madras Government, Public Works Department,
12th September 1872.*

No. 175. Read the following letter from the Acting Deputy Consulting Engineer for Railways, to the Secretary to Government, Public Works Department, dated Madras, 21st August 1872, No. 435 :—

With reference to G. O. dated the 16th August 1872, No. 162, communicating copy of telegram from the Secretary to the Resident, Hyderabad, to the effect that the Resident accepts the terms proposed by the Government of India for the transfer to His Highness the Nizam's Government of eighty-seven miles of permanent-way belonging to the Great Southern of India Railway Company, I have the honour to point out that, so far as I am at present informed, the Government of India have not intimated their acceptance of the terms proposed by the Board of the Great Southern of India Railway Company, as detailed in the correspondence printed with G. O. dated 2nd July, No. 1,591 ; neither have I received from the Agent of the Great Southern of India Railway Company any intimation that he is prepared to modify those terms. Under these circumstances, before communicating further with the Agent, I am under the necessity of asking you to be so good as to inform me what are " the Government of India's terms " alluded in the telegram from the Secretary to the Resident, Hyderabad.

2. The terms last proposed by the Government of India* were, so far as I am informed, that the Great Southern of India Railway Company should receive the cost price of the materials stored at Negapatam, Rupees 22,500 per mile, from His Highness the Nizam's Government, and the balance from the Government of India.

No. 176. ORDER THEREON, 12th September 1872, No. 2,167.

RAILWAY, No. 28.

RECORDED, with reference to G. O., No. 1,960, dated 17th August 1872, which was subsequently communicated to the Consulting Engineer for Railways.
