MADRAS RECORD OFFICE.

Government of Madras.

Public works DEPARTMENT.

G.O. No. 25126	2340	Press / Mis.	
Dated	7-10	1872.	

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department, 7th October 1872.

No. 75 Read the following letter from the Acting Inspector General of Police, to the Secretary to Government, Public Works Department, dated Madras, 11th September 1872, No 3,225 —

I HAVE the honour to forward a list showing the probable sums required for new and incomplete works and for repairs during 1873-74.

	RS
For new works	70,000
,, completion, etc	10,000
Total	80,000
,, repairs	10,000

2. With reference to paragraph 4 of G O, No 1,654, dated 9th July 1872, Public Works Department, I have also the honour to submit, for the approval of Government, a list A of Police works (new) roughly estimated to cost in all Rupees 70,000, containing none but the most pressing wants in each district. A detailed statement for the appropriation of the balance (Rupees 10,000) reserved for the completion of works and contingencies, etc, will be forwarded, as hitherto, after the commencement of the ensuing official year.

3. I have also appended to the above list a statement B, amounting to Rupees 10,150, for a special provision being made in the Budget for 1873-74 to meet the cost of construction of the Assistant Superintendent's office and bungalow at Erode, Coimbatore District, for which Rupees 7,500 have been already sanctioned by Government in their Order, No 1,586, dated 27th November 1871, Judicial Department, and for certain emergent works in the town of Madras as reported by the Acting Commissioner of Police

4. Owing to the unusual call for Repair Funds this year, to meet which there is not sufficient money sanctioned for 1872-73, an increased provision in some of the district estimates, as entered in the list, appears necessary for the ensuing official year.
