No. 204. Read the following letter from the Officiating Superintending Engineer, 6th Division, to the Secretary to Government, Public Works Department, dated Tanjore, 1st October 1872, No. 517:—

WITH reference to G. O., No. 2,238, dated 20th September 1872, I have the honour to inform you that the balance required to cover the amount of the estimate for converting the Native Garrison Hospital and Surgery at Trichinopoly into quarters for an Apothecary, cannot be provided from the allotment for Minor New Works "Military" for the current year, of which there is but a small balance of Rupees 488 left unappropriated, which will be required on account of works under that head. The sum required, namely Rupees 390, can, however, be met from the repair* allotment under "Military," and I request that the necessary transfer of funds may be sanctioned.

* Rupees 8,000.
