Proceedings of the Madras Government, Public Works Department, 21st October 1872.

No. 363. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Dowlaishweram, 27th September 1872, No. 2,356 :—

I HAVE the honour to forward herewith an account sale of materials belonging to the old Taluq Cutcherry at Yernagudem, and to request you will be good enough to obtain the sanction of Government for writing off to "Profit and Loss" the difference, namely, Rupees 66-8-0, between the original value and the amount realized by auction, etc.

2. The circumstances connected with the sale of these materials are that prior to the receipt of G. O., No. 211, dated 20th April 1872, in which the transfer of the station of the Tahsildar from Yernagudem to Thallapoody was ordered, an estimate, amounting to Rupees 370, was sanctioned by me for the necessary repairs to the old Cutcherry building at Yernagudem, and an outlay of Rupees 203-4-2 incurred on it in collecting materials, etc.; but, as the building was no longer required at that station, the balance of the estimate in question was cancelled, the work stopped, and the materials sold.

Account Sale of materials of the old Taluq Cutcherry at Yernagudem—Vide Superintending Engineer's Memorandum, No. 871, dated 4th June 1872.
