Honored Sir

I respectfully beg to
following before you for
and recommendation to Government
nce from passing the H.C.S. Examin
General Test

I was a protationer in the late Garrison
Office at Ghooty for about 2 years previous
to the Examination Rules came into force

I was afterwards employed in the late
District Engineer's Office, Bellary, as a Cle
on Rupees 14 per mensem from August 18
to June 1863 during which time I perfor
the duties in such a manner that I was pro
an Accountantship in this Office on the
on the abolition of the District Engineers Off
although there were a number senior her
I held the same situation till the abolit
of the Accountantship - I was then empl
as Record Keeper in the Office but as these
are solely entrusted to the Registry Clerk, I
been ordered to perform different work and
account of work which is done by me to ha
that I may fairly presume in all whic
I have given satisfaction.

The Manager will testify to this fact

during your last tour of inspection I was desired to follow upon Circumstance of the manner in which I performed duties and whether I am equal to said Candidate for the performance of Civil Duties.

In Conclusion, I beg to say that as I am aware that by passing the Civil Engineers General Test my Official result will follow in the subjects which do not bear in any way upon Official work, of which I am already thoroughly acquainted as can be seen from Service Register. I most earnestly pray that your honor will be kind as to recommend me to Government to exempt me from passing the General Test Examination which to prepare myself is really a difficulty as I cannot certainly find time to make myself thoroughly acquainted with the Subjects embracing the General Examination, from especially as I am constantly required to travel about with the Office and with an Allowance of forty

9 Rupees a month to cover my travelling expenses, it comes hard upon me.

Trusting that Government will favourably Consider my case with which Circumstances are Connected to make the same deserving of some Special Consideration.

I beg to remain
Honored Sir,

No. 1465.

Forwarded for the favorable consideration of Govt. The Petitioner is in every respect deserving of promotion. he has no time to get up the subjects required for the examination, nor would such knowledge be of the smallest use to him.

Special consideration is invited to the fact that Native men do not come to enter this Department. there being others much more lucrative and in which there is a better chance of advancement.
