*Proceedings of the Madras Government, Public Works Department,
23rd October 1872.*

No. 414. Read the following letter from the Inspector-General of Hospitals,
Indian Medical Department, to the Secretary to Government, Public
Works Department, dated Fort St. George, 23rd September 1872,
No. 305:—

I HAVE the honour to submit, for the orders of the Honourable the Governor in
Council, the following claim.

2. In April last the Public Works Department Supervisor, Nundial Range,
sustained an injury in his right leg, and the Hospital Assistant attached to the
Civil Dispensary, Kurnool, was, in consequence, called upon to visit him on two
occasions at a village distant 12 miles from head-quarters.

3. On submitting a bill for the regulated allowance of 4 Annas per mile
for the journeys performed on these occasions, the Controller of Public Works
Accounts returned it with intimation that the orders sanctioning travelling
allowance for Hospital Assistants "do not appear to have been made applicable to
the Public Works Department in this Presidency."

4. I have the honour to submit that, under paragraph 100, Section V, Volume
I., Medical Code, the Hospital Assistant seems entitled to the sum he has claimed
on account of the expenses incurred by him in making these visits, and I beg you
will obtain the sanction of the Honourable the Governor in Council for the
disbursement of the charge. I would further solicit that, to save references of this
nature in future, the orders sanctioning travelling allowances to medical subor-
dinates when called upon to visit wounded persons, or in cases of severe sickness,
at a distance from head-quarters be made applicable to the Public Works Depart-
ment in this Presidency.

5. The documents (to be returned) under reference are enclosed.

No. 415. ORDER THEREON, 23rd October 1872, No. 2,499.
ESTABLISHMENT, No. 35.

It is observed from Chapter IV.,
Section I, paragraph 42 of the Bengal
Code that when "Medical Subordinates
in Civil employ are called upon to visit Public Works servants at out-stations,
they will receive travelling allowances at the rate that would be given if the
persons visited were attached to the Civil Department." His Excellency the
Governor in Council directs that this ruling be made applicable to the Public
Works Department in this Presidency, and the claim referred to in the foregoing
letter will be dealt with accordingly.
