Proceedings of the Madras Government, Public Works Department, 28th October 1872.

No. 469. Read the following Endorsement of the Revenue Department, dated 30th September 1872:—

From the Officiating Inspector of Forests, to the Secretary to Government, Revenue Department, dated Ootacamund, 26th September 1872, No. 1,468.

I HAVE the honour to request that the Secretary to Government, Department Public Works, may be asked to issue a Circular to all officers of his department to forward their indents for timber to this office when they require timber and none of our wood-yards are in the range; as by using the Railway we can supply many parts at a reasonable rate, which were formerly inaccessible.

TRANSFERRED to the Department Public Works.

(Signed) W. HUDLESTON,
Secretary to Government, R.D.

No. 470. ORDER THEREON, 28th October 1872, No. 2,525.

ESTABLISHMENT, No. 39.

THE Inspector of Forests will submit a statement showing the quantity, price, etc., of each description of well-seasoned timber which he can supply in 1873-74 at each depôt and the principal stations of each district.

Rd from Govt 24/10/72

His Excellency the

Governor in Council

is of opinion that the

officiating Inspector of

Forests should supply

the Superintending

Engineer of each Division

with a list of the Depôts

from which wood can

be supplied to the

Department of Public

Works and of the rates at

which it can be delivered

Madras presidency

I would say -

The Indents of

Forests will be submit

a statement of

showing the Quantity

price of

of each description

of wood to be actually cut

which can be

probably in 1873/4

at each Depot of the

principal stations

of each District. 18

at each Depôt: each
officer can then decide
for himself, without
delay the source from
which he can most
economically procure
the timber he requires.
