Proceedings of the Madras Government, Public Works Department, 28th October 1872.

No. 471. Read the following letter from the Consulting Engineer for Railways, to the Secretary to Government, Public Works Department, dated Madras, 18th October 1872, No. 565:—

With reference to the Order of Government, No. 2,319, dated 3rd October 1872, I have the honour to report that no vehicles have ever been used on any of the Railways in this Presidency for the conveyance of camels.

2. On the Madras Railway young elephants have been frequently carried in covered cattle wagons, which hold from four to six according to the age of the animals. The Traffic Manager is of opinion that if camels could be made to lie down during transit it would probably be possible to carry two or even three in each wagon, but Mr. Church wishes it to be understood that he has had no experience on the subject.

No. 472. Order thereon, 28th October 1872, No. 2,526.

RAILWAY, No. 68.

Ordered that this letter be forwarded to the Government of India.

(True Extract.)
