No. 541. Read the following letter from the Officiating Deputy Secretary to the Government of India, Public Works Department, (Railway,) to the Secretary to the Government of Madras, Public Works Department, (Railway,) dated Simla, 15th October 1872, No. 1,643 G. R.:—

I AM directed to acknowledge the receipt of your letter No. 2,253, dated the 23rd September 1872, submitting certain proposals for increasing the establishments of the Carnatic Railway, and in reply to convey the sanction of the Government of India to the increases of Rupees 130 and Rupees 240 per mensem, recommended for the Agent's and Chief Engineer's offices.

2. With reference to the increases proposed to be given to two Engineers, I am directed to state that the Government of India have no knowledge of the promise of increased pay said to have been given in England, and that the practice of increasing the salaries of Engineers at the end of two years' good service is not known to exist in Upper India. Under these circumstances it seems desirable that the opinion of the Directors of the Company should be expressed as a preliminary to the consideration of the proposal.
