No. 21. ORDER THEREON, 1st November 1872, No. 2,574.

IRRIGATION, No. 1.

CIRCULATED for the information and guidance of Superintending Engineers who will furnish the statements of traffic, on the canals in their districts, called for by the Government of India in as complete a form as possible and will explain briefly why any information required cannot be supplied.

2. The Government apprehend that under the licensing system the information desired as to the nature and value of cargo cannot be obtained, and if this be the case no change of system is to be made; but as the information will certainly be of considerable use, Superintending Engineers will consult Collectors as to the best way of obtaining it hereafter, without vexatious interference with trade.

IRRIGATION.

To

The Joint Secretary to the Govt. of Madras,
Public Works Department,
Irrigation Branch.

Simla, 21st September 1872.

The Undersigned is directed to request that with the permission of His Excellency the Governor in Council, the Government of India may be furnished for information, if possible, with monthly statements of the traffic &c. on Canals in the Madras Presidency in the form herewith enclosed.

I have &c.

J. Pratt Capt. R.E.

Asst. Secretary to the Govt. of India

Note by the Retiring Chief Engineer for Irrigation.

In the Kistna and Godavery Tolls are not taken but Boats are licensed, of the nature of Cargo value of goods and number of passengers our officers know nothing and it is not desirable they should interfere in such matters.

In Tanjore no tolls are levied in the Vedaranium Canal or on the Canal between the Cauvery and Coleroon.

I am not aware of the system which prevails relative to Tolls in the East Coast Canal.
