Proceedings of the Madras Government, Public Works Department, 5th November 1872.

No. 58. Read the following letter from the Acting Deputy Consulting Engineer for Railways, to the Secretary to Government, Public Works Department, dated Madras, 30th October 1872, No. 585 :—

I HAVE the honour to forward two registers (to be returned) with letter* from the Collector of Trichinopoly showing land taken up under Classes A and B for the Southern Extension of the Great Southern of India Railway.

* No 17, dated 21st October 1872.

2. Under the circumstances explained by Mr. Pennington, I request that you will be so good as to communicate at an early date the sanction of Government to the disbursement of Rupees 8,782-5-11.

3. The charge can be met from the sum of Rupees 30,000 provided for the Trichinopoly District in the Budget for 1872-73.

From J. B. PENNINGTON, Esq., Acting Collector of Trichinopoly, to the Consulting Engineer for Railways, dated Trichinopoly, 21st October 1872, No. 17.

I HAVE the honour to forward herewith registers and bill in the prescribed form for the compensation for lands taken up by the Tuticorin Extension Line of the Great Southern of India Railway for fifteen villages, and request the favour of your forwarding the same for the sanction of Government.

2. The lands have already been made over to the Company by the Officiating Deputy Collector, T. Pattabhiram Pillai, now my Sheristadar, who is still in charge of the work. But, as the temporary establishment allowed him for this work is to be dispensed with on the 10th proximo, the Sheristadar wishes to get through the work before that time.

3. With reference to your letter of 11th ultimo, No. 787, the Sheristadar prefers taking receipts from the ryots and registering them, instead of title deeds on stamp paper which he considers unnecessary. I have agreed to this arrangement, as I am of the same opinion. The necessary arrangements are being made for the disbursement of compensation immediately on the receipt of the sanction of Government.
