Proceedings of the Madras Government, Public Works Department, 6th November 1872.

No. 88. Read the following letter from the Officiating Deputy Secretary to the Government of India, Public Works Department, (Railway,) to the Secretary to the Government of Madras, Public Works Department, (Railway,) dated Simla, 16th October 1872, No. 1,660-G.R. :—

I AM directed to acknowledge the receipt of your letter No. 2,300, dated the 30th September 1872, from which it is seen that the Agent of the Madras Railway Company states he is unable to forward the approximate weekly traffic returns earlier than the 13th day from the close of the periods to which they relate.

2. In reply I am directed to state that the Railway Companies noted in the margin are able to transmit these returns within a week from the periods to which they relate, and I am accordingly to inquire whether the same promptitude cannot be attained on the Madras Railway, as otherwise the desired publication of a comparative abstract of railway traffic will be delayed.
