Proceedings of the Madras Government, Public Works Department,
6th November 1872.

No. 95. Read the following letter from the Under Secretary to the Government of India, Public Works Department, (Account—Irrigation,) to the Secretary to the Government of Madras, Public Works Department, dated Simla, 28th October 1872, No. 315-A. I.:—

In order to admit of the preparation of a revised Budget Estimate for 1872-73, I am directed to request that a report may be furnished as early as possible showing the probable expenditure on Extraordinary Irrigation works in Madras during the current official year.

2. To the report a memorandum should be added of the probable receipts from Irrigation works during the year, and a brief explanation should be attached of any differences between the figures in the report and the figures of the Budget Estimate.

3. The *total* Irrigation receipts and *total* Extraordinary expenditure need only be reported, but the amounts should be based, if possible, on the actual or approximate income and outlay for the first six months of the year.

4. The report should be furnished so as to reach the Government of India by the 16th November at the latest.

No. 96. Order thereon, 6th November 1872, No. 2,614.

ACCOUNT, No. 9.

Communicated to the Controller of Public Works Accounts, who will, in communication with the Chief Engineer for Irrigation, furnish the required information with as little delay as possible.
